

**Double-Coated Breed Shave Release**  
(Husky, Pomeranian, Golden Retriever, etc.)

Please initial beside each of the following:

I understand that I am requesting a haircut or shave on my double-coated dog.

I understand that the only length a groomer can do, that will get under the undercoat and leave a smooth haircut, is to the skin.

I understand that any length, other than the haircut mentioned above, may look choppy and/or unfinished.

I understand that there will be an extra charge, to be determined by the groomer, for a shedding treatment, if a different length is requested.

I understand that having my dog shaved may result in the hair growing back, hair growing back patchy, may not grow back at all, and may change the coat in texture or color, and is no fault of the groomer.

I understand that having my dog shaved will not keep my dog cool or decrease shedding.

I understand that shaving my dog leaves him/her more susceptible to heat-related health problems and sunburn.

I am giving permission for VLP GROOMING & SPA to shave my double-coated dog and that I understand the risks involved.
